CONGREGATION

PUBLICITY REQUEST

Please submit your publicity requests using the form below (with any corresponding photos) as early as possible before the event (a month would be ideal) to the Public Information Coordinator, Brian Jarvis at Publicity@NamaquaUU.org.

If you have other ideas for specific local media outlets where publicity for our church would be useful, please share that information with Karen Brock and Brian Jarvis, and we will be happy to explore.

Please be aware that we cannot guarantee that the information will be publicized; publication will be determined by the individual editors at each agency.
